Anarchists Against the Wall (AATW) is a direct action group that was established in 2003 in response to the construction of the wall Israel is building on Palestinian land in the Occupied West Bank. The group works in cooperation with Palestinians in a joint popular struggle against the occupation.

Since its formation, the group has participated in hundreds of demonstrations and direct actions against the wall specifically, and the occupation generally. All of AATW's work in Palestine is coordinated through villages' local popular committees and is Palestinian led.
