a BIRDHOUSE guide to a Clean Kitchen

- [ ] Wash all dishes, bowls, glassware, and silverware, removing all large debris, and place in dishwasher
- [ ] Wash all cookware, cooking utensils, and appliances, and place in drying rack.
- [ ] Remove all items from countertops, and organize in proper (labeled) locations.
- [ ] If there is any food on the stove, place the food into a container and store in the refrigerator.
- [ ] Wipe down countertops and surfaces with cleaner and a damp rag.
- [ ] Scrub range with green scour pad, using a tough cleaner. It may help to briefly turn on the stove elements, before cleaning. Make sure to turn them off so that you do not burn yourself.
- [ ] Sweep the floor, shake out the rugs
